SYNOPSIS

A Comedy

Written and Directed by Terry Coyle

That Saturday is set in the changing shed of “The Desperates”, a social grade rugby team, before, during and after a game. Dicko is forty three and life isn’t going too well for him, there’s uncertainty at work, his children are strangers, he’s slowing down out on the paddock and he suspects his wife is having an affair. His team mates Toad, Gerry, Slack, Taffy the team’s long-serving manager and Pam his wife were there on that Saturday when Dicko’s world started to unwind. Gerry has his own problems as he has become increasingly sensitive to the changing shed banter and the realisation that he might just be hanging on.
