# SYNOPSIS

## INSIDE JOB - A SUSPENSE

Spain is a well-known haven for criminals who skip abroad. On the Costa-del-Sol, professional safe-cracker Larry has struck it lucky.

Gorgeous Suzy asks him to steal the diamonds from her husband Alex's safe and run away with her to Rio. At the same time Alex also employs Larry to murder Suzy for her £1,000,000 life insurance policy.

Larry decides to tell Suzy about her husband's plans, and they together plot to steal the diamonds, murder Alex, and make off with the

dividend from Alex's similar insurance policy.

Several twists add to the suspense in this exciting thriller.
